12.11.76 Re: DGSUS CR of 5.11.76 re: 3rd Telex) DGSUS
 (28.11.76) (Herbert) That sounds much better.
 (5812) Please let me know when his overts
 have been pulled.

26.11.76 Yours 18.11.76 re Glaser Book, DGSUS
 29.11.76 Re: Let me know when Glaser's
 (5884) materials have been obtained.

25.11.76 Gidey Weisand now must DGSUS
 29.11. (5885) Get Dianetic Expanded
 auditing.

30.11.76 Telex 30116 GOWW - I would suggest DGSUS
 that you send a rep to Jane on
 DGSUS & what is the scene with her.
 You can refer to GWW disp to Lynn
 of 26.11.76.

3.12.76 Telex 031232 GOWW You must DGSUS
 get more study done & so must Duke.
 All stats are very poor. MLV
 DV 31.9

3.12.76 Telex 031234 GOWW I want Lynnus DGSUS
 overts pulled & a sec check done. This is
 to be done fast. She is then to find out
 her command lines & be checked out on
 them, on repts & OSW etc. If she has ARCK's
 they stem from M/W/Hs & Duke had better
 check out on that as well as Lee
 indicators of overts.
